

Omni Antenna

Part No.: WLANT-2400-13

2.4GHz 2/3dBi SMA Male Reverse Omni Antenna

Features

- High Profile with One Tool Shot
- High Through Results on Indoor Device
- Cover 2.4G Proprietary Wireless Indoor Projects

Electrical Characteristics

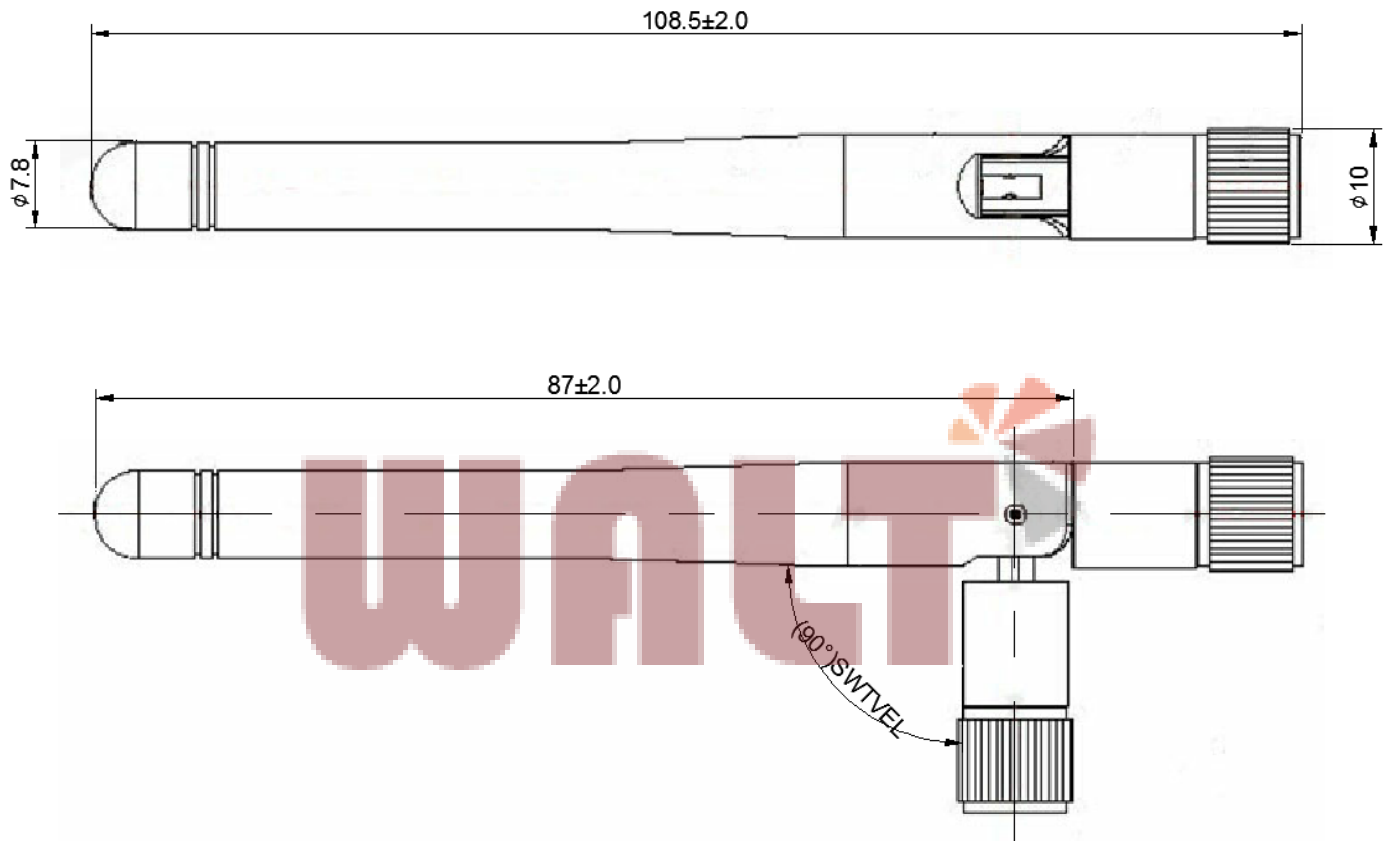

Description	Specification
Frequency :	2400~2500MHz
Impedance :	50Ω
VSWR :	<2.0: 1 (MAX.)
Gain :	2/3dBi
Connector Type :	SMA Male Reverse

Mechanical Characteristics

Description	Specification
Operating Temperature	-40~80°C
Humidity :	Up to 95% at 25°C
Material :	Rubber

Outline Drawing

Units: mm

Dimension Tolerance: ± 0.2 mm
